HOLISTIC APPROACH

- Client centered approach to caring for older adults or others facing ongoing health challenges.
- Collaborate with families to solve problems and reduce stress for family caregivers
- Help families plan the actions and make decisions to enhance quality care and an optimal life for those they love.

OUR PHILOSOPHY

Using a team approach, we help persons who are dealing with the challenges of aging or disability continue to lead fulfilling lives.

FEES

Aging Life Care Professional® fees are paid privately by the family member requesting the service. This enables the Aging Life Care Professional to serve as an independent advocate for the client and their family.
